PURO STILE ITALIANO

Stili

ANTEPRIMA PRODOTTO

A complete review of the edged range which, through rationalisation of the structure and continuous technical research, aims to offer its clients quality, sturdiness, flexibility in terms of aesthetics, preservation of the product and display innovation.

The Stili range is dedicated to the "food specialist", focused on the preservation of foods, the details and needs of the different shopping categories.

Large variety of choice:
Visualis, Bistrot,
Panorama, PrimoPiano,
Gemini, Kristal

«Tailor-made» for each
store: from design to
production

Preservation solutions
dedicated to the
different food products

Customisation flexibility
in shape, colours,
materials and finishes

Improved performance
and optimised energy
consumption

Attention to every detail
for excellent quality

Extra areas of glass for
total transparency

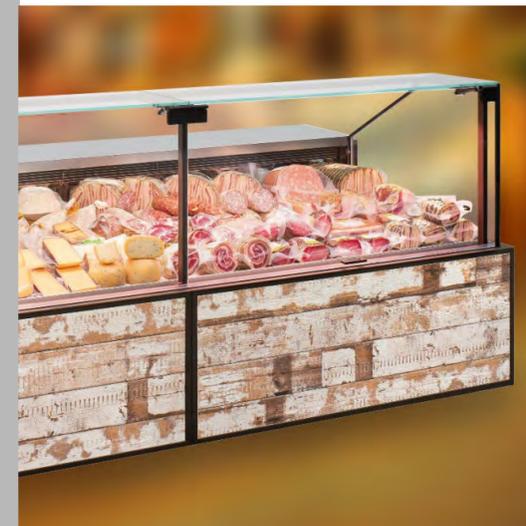

Sturdy structure
constructed entirely in
stainless steel

New led lighting to
enhance the natural
freshness of the food

4C led lighting to vary
the shade of colour as
the display varies
